life on center

Most of our students live on campus in the dorms. Some, however, do choose to commute daily to the education and career skills training center. Accessible by train or bus, the center is located approximately 45 minutes from Boston, just outside Worcester, in the scenic hills of North Grafton, Mass.

The center provides well-equipped classrooms and self-paced career skills training and academic programs in a safe environment where a Zero Tolerance Policy for drugs and violence is strictly enforced.
